The student is eligible for the following services: ESOL Special Education (IEP) 504 Plan Level IV AAP Center**STEP 1: REQUIRED COURSES** History 7 Honors *Except for small group classes or students receiving Advanced Academics Level IV services, all 7th grade students take History 7 Honors* Health and Physical Education 7**English – check one:** English 7 English 7 Honors**Science – check one:** Science 7 Science 7 Honors**Mathematics – check one:** Math 7 Math 7 Honors***Advanced Academics Level IV** English 7 AA History 7 AA Science 7 AA Math 7 Honors

* Math 7 HN students will receive extensions and enrichment to the Math 8/Pre-Algebra curriculum and take the Math 8/Pre-Algebra SOL. We recommend that students who are successful in Math 6 take Math 7 HN.

Students will be placed in **Algebra HN** if they completed advanced math in grade 6 and meet the testing requirements.

STEP 2: ELECTIVES (YEAR-LONG AND SEMESTER)

While we will make every effort to honor electives requests, due to the possibility of scheduling conflicts and staff availability students may not always get their first elective choices. Students in need of remediation will take a support class in place of an elective.

YEAR-LONG ELECTIVES (Optional – Only Check if you would like to take Year-Long Electives)

Year-long elective choices will be given priority over semester elective choices. You may select up to two.

World Languages – select one French 1 Part A Spanish 1 Part A Spanish Immersion 1*

*High school credit; for students who participated in Spanish Immersion grades 1-6

Performing Arts – select one Band* Chorus* Orchestra*

*Students will audition with music directors for placement.

AVID AVID*

*Students must have been interviewed and selected for this elective.
