

Langston Hughes Middle School

Rising 7th Grade

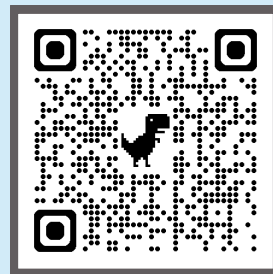

CURRICULUM NIGHT

Tuesday, January 14 from 6:00pm to 8:00pm

(Snow Date: January 16)

Students & families welcome!

Please review our Academic Advising website before attending Curriculum Night. This website will provide an overview of each course, the course selection process, and the transition to middle school. Scan this QR code to access the website.

During Curriculum Night, families will have the opportunity to:

- Take a self-guided tour of Langston Hughes.
- Learn about core subject curriculum, elective courses, and visit some classrooms.
- Learn about the Hughes After School Program.
- Attend our recurring information session (6:00pm, 6:30pm, 7:00pm), which will cover the following topics:
 - Meet our principal, Dr. Mizell.
 - Support your student with the transition to middle school.
 - Learn about math course sequencing and curriculum.
